

Curriculum Vitae
SHYH-CHING LO
shyhching.lo@fda.hhs.gov

Tissue Safe Laboratory Program
Division of Cellular and Gene Therapies
FDA, Center for Biologics Evaluation and Research, HFM-735,
NIH Building 29B, Room 1NN06,
29 Lincoln Drive MSC4555
Bethesda, MD 20892-4555
Phone: (301) 827-3170
FAX: (301) 827-0449

Current Professional Position: Director, Tissue Safety Laboratory Program
Division of Cellular and Gene Therapies &
Division of Human Tissues
Office of Cellular, Tissue and Gene Therapies
Center of Biologics Evaluation and Research
FDA

Education and Professional Training:

Medical Staff Fellow (Pathology), National Cancer Institute, NIH at Bethesda,
MD: 1983-1986

M.D. University of Wisconsin- Madison, School of Medicine: 1983

Ph.D. McArdle Laboratory for Cancer Research,
University of Wisconsin- Madison: 1978

B.S. National Taiwan University (Biochemistry and Microbiology): 1972

Medical License: Maryland, U.S.A.

Certification of Medical Specialty Board: The American Board of Pathology (Anatomical Pathology)

Chronology of Employment and Positions Held:

2009- Present Director, Tissue Microbiology Program, Division of Cellular and Gene Therapies and Division of Human Tissues, Office of Cellular, Tissue and Gene Therapies, Center of Biologics Evaluation and Research, FDA

1992-2008– Registrar, Mycoplasma Pathology Registry, American Registry of Pathology, Washington, D.C.

1991-2008–	Chief, Division of Molecular Pathobiology, Department of Infection and Parasitic Diseases Pathology; Armed Forces Institute of Pathology (AFIP), Washington, D.C.
1988-1991 –	Chief, Division of Geographic Pathology, Department of Infectious and Parasitic Diseases Pathology, Armed Forces Institute of Pathology (AFIP), Washington, D.C.
1986-1988 –	Chief, Laboratory of AIDS Pathology, Collaborative Center for the investigation of AIDS, Registry of AIDS Pathology, Department of Infectious and Parasitic Diseases; Armed Forces Institute of Pathology, Washington, D.C.
1983-1986 –	Medical Staff Fellow, Laboratory of Pathology (Residency in Anatomic Pathology), National Cancer Institute, National Institutes of Health, Bethesda, Maryland.
1978-1979 –	Postdoctoral Fellow and Research Associate, McArdle Laboratory for Cancer Research, University of Wisconsin- Madison, School of Medicine.
1974-1978 –	Research Assistant, McArdle Laboratory of Cancer Research, University of Wisconsin- Madison, School of Medicine.

Bibliography (38 selection out of 84 publications)
